To ensure that you select the right tour for you, Macleay Valley Travel has provided a clear set of tour difficulty and fitness recommendations for our tours. The ratings, from 1, being the easiest, to 5 the most strenuous, will give you a good idea of what is reasonably required for you to be able to participate on each tour.

1	2	3	4	5
---	---	---	---	---

Tour Difficulty Level 3

This tour rating typically involves a good level of physical activity, such as ascending stairs, getting into a bathtub shower, being responsible for your own luggage at airports and hotels, walking distances of up to and sometimes over 500 metres at a time over possible uneven ground and/or cobblestone streets. Walking tours of considerable distances should be expected on tours with this rating as well as some early departures.
